

Northfield Olympics

Our school hosted an incredible 'Northfield Olympics' to celebrate the upcoming 2024 Olympics in Paris! The entire school came together, with students from F1 to Year 6 competing in a variety of fun and challenging events. The day was made even more special by the presence of Ollie Hynd, the Paralympian, who joined us to inspire and cheer on our young athletes.

The day was packed with energy and excitement as students competed in a range of activities. Traditional sports like football and netball kept everyone active and focused, while unique games like times table quizzes, Jenga and even bottle flipping added a creative twist to the competition. Each activity encouraged teamwork, perseverance, and school spirit.

Ollie's presence was a fantastic motivation for everyone, and his story reminded us of all of the dedication and resilience required to reach our goals. It was a memorable day, filled with school pride, and an inspiring way to connect with the spirit of the global Olympics.
