

Year 1 and Year 2 Dance Festival

Summer Term 2026

Over the last 10 Friday lunchtimes, a group of Year 1 and Year 2 children have been working hard to learn a dance with our dance coach, Hayley. The children showed great enthusiasm and commitment as they practised each week and developed their confidence and performance skills.

The children then travelled to Manor to take part in a Dance Festival alongside pupils from other local schools. They performed their dance in front of parents and families, showcasing all of their hard work and dedication.

We are incredibly proud of the children for their fantastic performance, excellent behaviour, and positive attitude throughout the experience. Well done to everyone involved, and thank you to Hayley for her support and encouragement.

Also, thank you to the parents who came and supported us and walked with us to Manor.
