

Mansfield Town 50/50 Fundraiser.

Last month I mentioned in the parent's newsletter that the children were fundraising to raise money for the school and Mansfield Town. All the children participated in some coaching sessions and a penalty shootout.

The children raised lots of money and there were so many footballs, water bottles and match tickets handed out so well done everyone!

Not only that - the school has raised the most money out of any school in the 20+ years that Mansfield Town have been running this fundraiser. For that Alex from Mansfield Town came and presented us with a framed, signed shirt from the players.

Well done everyone!
