

Date: 18th April

Year 3 and 4 Football Competition

Some of the Year 3s and 4s went to RH Academy to compete in a football tournament. It was a great day, despite difficult weather conditions. The teams showed great resilience and sportsmanship throughout the event, making it a memorable experience for all involved.

In the competition, Northfield played a total of four games. The first game ended in an unlucky, narrow 1-0 loss. Despite losses in the second and third games against the eventual finalists, the team never gave up and continued to give their best effort on the field.

The final game of the competition saw Northfield win 1-0 thanks to a fantastic strike from Lillie-Mae and some outstanding heroics from our goalkeeper Isaac. Despite being cold and wet we ended the competition on a high note.

The football at Northfield is not finished! Next month's Northfield News will include some matches played by our Year 5 and 6 team.

Well done everyone!
