Dear Parent / Carer

We use Scholarpack to send parents / carers text messages and emails. We use this service to make it quick and easy for us to contact you with lots of school information.

Scholarpack is registered with the data protection act as required in the Data Protection Act 1998. The school data is not shared with any other organisation and only schools can access their own data for the purpose of sending text messages or emails to parents.

If you would like to check the company's privacy policy it can be found at <https://support.scholarpack.com/hc/en-gb/articles/360003004831-ScholarPack-Privacy-Statement>

It is important that we have your correct mobile phone number and email address, so please let us know if you change them in the future.

Thank you in anticipation of your support.

Yours sincerely
